ABOUT US

Cinnamon Café is joy, flavor, and tradition.

With each dish, we are happy to share a piece of our cultural past and create a fascinating culinary tradition for you.

In each bite, our chef has created distinctive tone, colors, scents, and flavors for you. Some are "reinterpretations" of classic dishes, while others are changeable creations, like our recognizable specialty: *Cinnamon Pork Chops* or our delicious coffee.★

We are that picturesque restaurant where people fall in love with the high-quality food and attentive service, and where there are no restrictions on innovation, especially when it comes to creating dishes that delight the senses and the soul.

We want *Cinnamon Café* to be your go-to spot for breakfast, lunch, dinner, relaxation, and socializing.
